

Weekly Schedule at a Glance
May 19-22

	Monday	Tuesday	Wednesday	Thursday	Friday
Routine Activities	Daily reading: good fit books Daily math facts practice (to achieve automaticity with multiplication and division facts)				
Math		Watch video link and view PowerPoint on measurement. Practice page on measuring using cm and mm	Centimeter Scavenger Hunt- use a ruler, look around your home and yard for items that are certain lengths		Practice page on converting measurements mm, cm, m and km (in and out boxes)
ELA		Sandwich book report: Review instructions and fill in two sandwich parts about your book. Include juicy words 😊.	Write three more sandwich parts for your book report.	Write the last 2 of 7 writing parts for your report. Create a picture for your title page portion and start to colour pieces.	Finish colouring the parts to your 'sandwich', cut out and staple (if you have a stapler 😊) or a hole punch with a piece of yarn or string to connect pieces.
Science or Social Studies	We are alternating Science and Social Studies content every second week. Please choose at least one project from the "Pick-a-Project" outline per week. Take a picture of your project and send it to your teacher.				
Phys. Ed.	Please visit the Phys. Ed. Website for more information standrewsphysicaleducation.weebly.com				
Music	Please visit the Music Website for more information https://standrewsschool.wixsite.com/intermediate-music				

Note:

This schedule and the assignments are only suggestions, we understand that every family has a different situation during these times and will adapt the schedule to work for their family.
